

# 2022 FIM ENDURO WORLD CHAMPIONSHIP

## Allocation of numbers / Number plates

### Allocation of numbers updated for a better understanding

The riders competing on the whole championship can choose their number during the registration in the entry system. Already registered numbers are blocked by the system and cannot be chosen again.

All digits of the allocated number must figure on the number plates (front and sides).

Where a rider has their allocated number on riding jersey/shirt it must correspond with the number shown on the number plate.

#### For E1, E2, E3, EJ (J1, J2) and EY:

**NEW** The numbers will be allocated from N°2 to N°199 for riders regardless of the class. Priority is given to the EGP riders.

**NEW** The riders registered for single race, will have numbers from N° 201 to N° 299.

#### For EW:

The numbers will be allocated from N° 401 to N° 499.
